

# Leigh Neighbours PROJECT

## Residents Fund

Individuals, groups of residents or community groups which serve the area may apply to the 'Residents Fund' for a grant of up to £500 provided it meets one of the following criteria:

**1 Housing, environment and public space**

Activity which protects or improves the visual appearance of the area, neighbourhood, street or alley way.

**2 Getting to know one another**

Activity which encourages people to mix with one another, improves relationships between neighbours and others in the area, improves cultural understanding; develops community group(s) and spirit.

**3 Young People**

Positive activities for young people to engage in, or addresses the needs of young people in the area; encourages young people to mix with one another

**4 Civic Pride**

Activity which promotes acceptable behaviour, Neighbourhood Watch, and the community working together.

If funding is granted the person putting forward the project will sign a simple agreement for the funding and agree to give a progress report to Leigh Neighbours Project and for their project to be used as publicity for Leigh Neighbours Project
